Namaste!

Welcome to the 10th Asian Conference for Emergency Medicine hosted by the Asian Society for Emergency Medicine (ASEM) and the Society for Emergency Medicine, India (SEMI). It is a matter of great pride and honour for the organising committee to be hosting the congress in the Capital city of New Delhi from November 7th - 10th, 2019.

ACEM 2019 will see the stars of emergency medicine from across the globe descend upon New Delhi as faculties, keynote speakers, delegates and guests. There will be a host of academicians, EM legends, FOAM stars, editors and experts who would be gracing the dais to enlighten the audience with their talks. The congress would also serve as a meeting and networking zone for everyone present.

The conference theme of Affordable Care, Bridging Gaps and Creating Impact is close to our hearts. Affordable care has been a constant global issue especially in this part of the world. We would be having experts shine light upon how we can impact healthcare for all by bridging gaps and making healthcare and emergency care affordable to one and all.

This would be a conference like no other.

Your company’s participation in the event would help you meet a varied range of healthcare professionals like;
